Los Angeles Councilman David Ryu's Office

Attn: Director of Communications, Estevan Montemayor

Under the California Records Act (Govt. Code 6250-6270), we are requesting the following information from your department:

All emails from constituents on the proposed basketball development in Runyon Canyon. Additionally, I request all email from constituents concerns on the Hollywood sign. An electronic record of the emails would be preferred.

I ask for a determination on this request within 10 days of your receipt of it, and an even prompter reply if you can make that determination without having to review the records in question.

If you determine that any or all of the information qualifies for an exemption from disclosure, I ask you to note whether, as is normally the case under the Act, the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information.

If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that you redact it for the time being and make the rest available as requested.

In any event, please provide a signed notification citing the legal authorities on which you rely if you determine that any or all of the information is exempt and will not be disclosed.

If I can provide any clarification that will help expedite your attention to my request, please contact me at 210-232-5776. I ask that you notify me of any duplication costs exceeding \$50 before you duplicate the records so that I may decide which records I want copied.

Thank you for your time and attention to this matter.

Please contact me at  to discuss how much this will cost. Your help in providing this information is greatly appreciated.
